

2016/2017 OCEAN VIEW SUPPLY LIST

Dear Ocean View School Families,

We are looking forward to teaching and learning with your child this coming fall. As you know, our schools are facing some deep budget cuts. Because our supply budget will not support all of the activities we have planned for this year, we are seeking the voluntary donation of supplies which your child can utilize throughout the year. We have needs for "community" supplies, which are utilized by all of our students, and we would greatly appreciate your voluntary donations. Should you prefer to make a monetary donation, you can make a donation to the Albany Unified School District, designating that your gift be used for classroom supplies.

Please allow us to thank you in advance for your support. Your donations allow us to provide your child with additional experiences which will enhance their education. Should you have any questions or concerns, please do not hesitate to contact us.
