
FALL FESTIVAL WALK-A-THON!

Dear Ocean View 5th Graders:

The Ocean View Fall Festival and Walk-a-thon needs your help! We are looking for responsible 5th graders to run some of the carnival games at the Festival or to work at the prize booth. Duties will include taking tickets, explaining the game rules, making sure players respect the rules and line, handing out prize tickets, and exchanging prize tickets for prizes.

The Festival is on Saturday, October 21 from 11 am to 3 pm. You can sign up for one or two hours, which will give you time to also do your walk-a-thon laps and enjoy the Festival. Keep in mind that the Walk-a-thon is from 11:15 am to 1:30 pm only so plan when you will do your walking. For each hour you work we will give you 5 tickets to play the carnival games. You will need to show up on time and work your entire shift to receive your tickets.

If this sounds like fun please have your parents read this and sign the form below, and return it to the PTA mail slot in the school office or to your teacher. If you or your parents have questions, please email us at volunteers@oceanview-pta.org. Unless you hear otherwise, you are confirmed for the shift you sign up for below.

We will see you at the Festival!

My child has permission to volunteer at the Ocean View Fall Festival and Walk-a-thon. I understand that while the Ocean View PTA is overseeing the event and will be managing the carnival games, my son/daughter is still my responsibility while at the event and a chaperoning adult must be present at the school.
